

Student Loan

Loans are available to full-time or part-time students. An authorized budget may include tuition, books, and reasonable living expenses. A Lending Specialist will help you determine just how much you will need to get you through school.

Make interest-only payments while attending school. Repayment of the loan starts within 6 months after you complete your education or cease enrollment. After your 6-month grace period ends, loan payments can be amortized over a maximum of 15 years with no pre-payment penalties. An authorized amount, rate, and terms will be determined by your Lending Specialist.

You can start the loan process by applying online with our secure online loan application. Our Lending Specialists will contact you about the loan details and offer some helpful advice on how to make the most of your finances while at school. You can find the online loan application by going to www.rockycreditunion.com or just stop by the branch and speak to a Lending Specialist.

E Transfer

Convenient and Simple to Use!

All you need is your recipient's email address or mobile phone number.

You can also transfer money to your other Canadian Financial Institution accounts.

Make or receive a transfer from anywhere at any time using your computer or Smartphone.
