

Rocky Credit Union

65 years of being an important part of the Rocky Region

2000's

In 2001 we expanded our building in order to provide room for more services and staff.

Our remote banking services grew to include telephone banking, internet banking, and text banking.

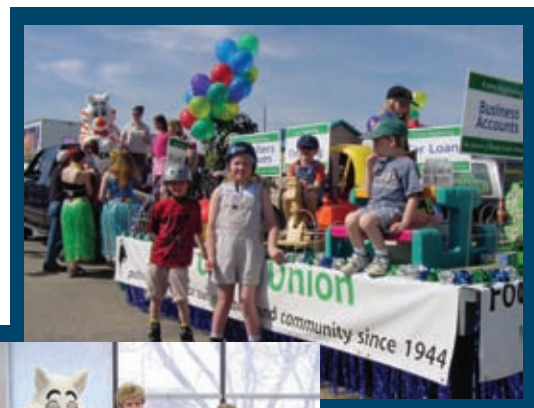

An Administration office was set up in 2007 on Main Street for some staff and a training centre.

In 2008, a new logo was adopted with a "Road to the Mountains" look.

We ended 2009 with about \$267 million in assets and 50 staff.
