

Meet Aura.

The member card with benefits.
No fees, no debts, more rewards.

No fees, no debt, more rewards.

Level up your money game & earn instant rewards.

Powered by a free reloadable Mastercard®, Aura's digital platform makes managing money easy and delivers **instant cash back** rewards.

Achieve financial zen.

Aura makes money simple with round up saving options, automated tracking that delivers a visual breakdown of spending habits and peace of mind security features like being able to **freeze your card if you lose it and unfreeze it for those false alarms.**

Get rewards from places you already shop at.

With exclusive offers and promotions, you'll earn instant cash-back on everyday purchases.

aura

The credit union difference.

Aura has been designed in collaboration with Canadian credit unions.

Like Aura, credit unions give back to their members, the people that bank with them, and contribute to local economic, social, and environmental initiatives.

We like that sort of stuff and we think you should too!
